

The All New #38008 All-in-One Chair

*Wheelchair * Companion Chair * Shower Chair * Wheeled Commode*

- * Changed from wheelchair to companion chair in seconds with “quick release” wheels.
- * Can be reconfigured to use over the toilet or to be a stand-alone commode by removing the seat’s center piece – while patient remains seated in the chair!
- * Patented seat frame and cushion comfortably support the patient for mobility, in the shower or when used as a commode. Both pieces remove easily for cleaning.
 - * Swing-back desk length arms allow for easier patient transfer.
- * An ergonomically designed rear push-bar that’s easy on the caregiver or attendant.
 - * This chair is quickly assembled for use around the home or institution.

NO OTHER CHAIR OFFERS THIS VERSATILITY – AT ANY PRICE!
